

CONSTANTINO FOR CONGRESS

- **STOP SOLAR FARMS**

My opponent has a massive solar farm on his land. I won't just talk about solar sprawl: I will put a stop to it. Chinese Solar Farms have no place in our country and in Upstate New York.

- **LOWER COSTS, REIGNITE THE ECONOMY**

As a CEO, I know how to cut wasteful spending and create real economic opportunity. I'll cut the red tape strangling our small businesses, farms and families, and make sure the Upstate NY is affordable again.

- **CELL SERVICE**

Big carriers collect billions of dollars while ignoring the Upstate NY. In Congress, I will cut through the excuses, and hold them accountable. and bring real infrastructure and investment to NY-21

- **RESTORE CONSTITUTIONAL RIGHTS**

Radical liberal politicians have been taking your Constitutional Rights. My opponent has been in office for over a decade and can't stop them. NY-21 needs somebody who will fight and win for your right to protect yourself from criminals, and from tyranny.

- **PROTECT THE NORTHERN BORDER**

I will stand with President Trump to secure both the northern and southern border. New York's radical Democrats won't cooperate, so we need a congressman who will.

- **SUPPORT PRESIDENT TRUMP**

As a Trump endorsed candidate, I will have the privilege of working directly with the president to bring real results to NY-21. The Upstate NY needs somebody who can go to Washington and FIGHT, FIGHT, FIGHT for us, not somebody who will go along to get along.
