

Thank You!

We would like to thank everyone who attended, donated and/or supported the 10th Annual Savannah Marie Williams Memorial Scholarship Golf Tournament and Buffet event on August 8th held at the Canasawacta Country Club.

This year was especially meaningful because this marks the tenth—and final—Golf Tournament. Making the decision to end this event was not an easy one. It is truly bittersweet. While we know it is the right time for our family, we also know that what we've built together over the past decade has exceeded anything we ever dreamed possible.

To those who stepped forward with the idea of creating this scholarship golf tournament in Savannah's memory or have participated and donated over the years, thank you. Your generosity and friendship have carried us through some of life's most difficult moments. You have helped keep Savannah's memory alive, and we will never be able to fully express what that has meant to us.

A special thank you to the committee members who have dedicated many hours organizing this tournament, gathering raffle baskets, securing sponsorships and donations, planning every detail, and making sure this event was successful year after year. Without their hard work, dedication, and commitment, this tournament simply would not have been as successful as it was.

As this chapter comes to a close, I hope everyone knows that this tournament has never simply been about golf. It has been about remembering a beautiful young woman whose life touched so many people. It has been about bringing a community together. It has been about creating opportunities for students through education.

One of the things that makes us the proudest is seeing how this scholarship has grown because of everyone's generosity. When we began, we were able to award two \$1,000 scholarships to Norwich HS graduating seniors. As support for this tournament continued to grow, those scholarships increased to \$1,500 each, then to \$2,000 each, and this year, because of all of you, we were honored to award two \$2,500 scholarships.

Even more remarkable is that the Savannah Williams Scholarship Fund has now grown significantly, therefore allowing this fund to provide scholarships to Norwich High School graduates for many years to come. Knowing that Savannah's name will live on by helping young people pursue their dreams is one of the greatest gifts our family could ever receive.

FROM THE BOTTOM OF OUR HEARTS, THANK YOU FOR TEN UNFORGETTABLE YEARS.

Thank you for honoring Savannah. Thank you for believing in this mission. Thank you for walking beside our family through grief, hope, healing, and remembrance.

Because of your kindness, Savannah's name will continue to open doors, create opportunities, and inspire dreams for generations of Norwich High School students.

*From our family to yours, thank you for making sure Savannah
will never be forgotten.*
