

RETIREMENT PENDING BUSINESS SEEKS NEW OWNER, SERVICE CONTINUITY

Since the mid-1950s 6 East Main Street, Norwich has been home to an office supply and business services retailer. The current owners of Norwich Copies Plus hope to keep that record intact. Set to retire mid-year, manager/owner Christine Walker and owners Missy and Chris Hayes are diligently recruiting potential successors to build off the copy and shipping center foundation they leave in place.

Ideal candidates will understand business systems, cash management, and have a knack for teamwork, customer service, and staff development. “There are a lot of moving parts to running a business and it can be overwhelming without the skillsets and a team to manage the process.” Walker said.

Having survived an ever-evolving retail landscape, Norwich Copies Plus has become a local source for business services and business products that support Chenango area residents, organizations and businesses. Products include copy paper, filing supplies, legal forms, good quality new and used office chairs, and a full complement of next day office supplies and special-order furniture. Sought after services include color copying and printing, report binding, package returns, UPS & FedEx shipping, confidential shredding, scanning, faxing and much more.

Summed up by Hayes, “Yes, we sell a large variety of office products and services and that’s important. Equally important is the role we serve as a problem solver for our customers, as an employer for our staff members, and as a contributor to the local economy.”

Parties interested in doing their due diligence on the business operation can sign a non-disclosure form in exchange for a business listing packet. Forms are available for pickup at Norwich Copies Plus Monday-Friday between 8:30am and 5pm or by emailing Chris Hayes at chayes@hummelsop.com.

Norwich Copies Plus owners Chris Hayes, Christine Walker, and Missy Hayes set to retire in 2025. Seeking new owners that will keep local customers served and their location intact as a business services center.
