ChenTAC Chenango Threat Advisory Committee

WHO WE ARE

The formation of ChenTAC was established due to the ever-changing risks of targeted violence and mass shootings that society faces today. ChenTAC takes effective proactive and protective measures that are designed to prevent, not predict, potential acts of targeted violence and terrorism. Through identifying and managing potential threats, ChenTAC provides alternatives to investigation and/or prosecution for bystanders who are actively seeking intervention assistance with a known individual at risk of mobilizing to violence.

With the support of the Chenango County Sheriff's Office, ChenTAC is a multidisciplinary team comprised of businesses, schools and colleges, social service agencies, mental health professionals, faith based organizations, community resources and local and state law enforcement. Collectively, we convene as a confidential group to identify, assess and manage potential threats of targeted violence.

IMPORTANT DEFINITION

Targeted Violence is premeditated violence and is usually directed at a specific individual, group, or location. A perpetrator of targeted violence is typically responding to a perceived grievance or acting on behalf of a particular ideology. **Targeted Violence** is different from impulsive, reactive, or emotional acts of violence. Some examples of targeted violence are school shootings, workplace violence, domestic violence, stalking, and terroristic attacks.

WHEN TO CONTACT ChenTAC

If you become aware of someone exhibiting concerning behaviors, or threatening a person, group or entity, ChenTAC is available to help. Contact our report line at (607) 334-2000 or go to www.chenangocountyny.gov/271/ Sheriffs-Office and find the Submit A Crime tip button. If you have concerns of imminent danger, call 911 immediately.

See Something, Say Something
YOUR ROLE IS IMPORTANT

ChenTAC is relying on you, our biggest asset, to help identify potential threats. Without participation from members of the public, we can not identify ways to assist those who need us or protect our community.

McNeil's Announces The Retirement and Closing of McNeil Jewelers

Dear Valued Customers and Friends, it is with a mix of gratitude and nostalgia that we announce the retirement and closing of McNeil Jewelers after 79 wonderful years in business. This decision was not made lightly, but after nearly eight decades of serving the Norwich community, it is time for us to embark on a new chapter.

Since our founding in 1946, McNeil Jewelers has been more than just a business, it has been a place where generations have celebrated love, milestones, and cherished memories. We have been honored to be a part of your engagements, anniversaries, birthdays, and countless other special occasions. Your loyalty and support have meant everything to us, and we are incredibly grateful for the friendships and trust we have built over the years.

As we prepare for our final days, we invite you to visit us and take part in our Retirement Sale, where you will find special discounts as a token of our appreciation. More importantly, we hope you stop by to share a memory and allow us to personally thank you for being such an important part of our journey.

McNeil Jewelers may be closing its doors, but the memories and relationships we have created will last a lifetime. Thank you for allowing us to be a part of your lives for the past 79 years.

With heartfelt appreciation, Patrick and Jim McNeil.

Best of Chenango County WINTER SPORTS

Many of our Chenango County high school sports teams and athletes have once again performed to an exceptional level during the 2024-2025 season. **2024-25**

A season ago The Evening Sun published a five-section special insert that promoted our star athletes and teams who either reached a major milestone, won a championship or broke a school record within that respective sport.

In April, we will once again profile the best athletes and teams our County has to offer with our 2024-2025 Best of Chenango County Winter Sports!

The special section will include large color photos of our star athletes and teams as well as detailed summaries explaining extraordinary achievements along with quotes from our athletes and coaches.

This type of sports coverage can only be found at The Evening Sun and we take great pride in presenting this once-a-year publication that summarizes the best our winter sports has to offer.

TAX GUIDE

THE RIGHT TO RETAIN REPRESENTATION

The Taxpayer Bill of Rights is a cornerstone document that highlights the 10 fundamental rights taxpayers have when dealing with the Internal Revenue Service. The IRS wants every taxpayer to be aware of these rights in the event they need to work with the IRS on a personal tax matter. The IRS continues to publicly highlight these rights to taxpayers. The IRS also regularly reminds its employees about these rights. The IRS expects employees to understand and apply taxpayer rights throughout every encounter with taxpayers.

IRS Publication 1, Your Rights as a Taxpayer, includes a full list of taxpayers' rights.

It includes The Right to Retain Representation.

Taxpayers have the right to retain an authorized representative of their choice to represent them in their dealings with the IRS. Taxpayers have the right to seek assistance from a Low Income Taxpayer Clinic if they cannot afford representation.

What you can expect:

- You may select a person, such as an attorney, certified public accountant or enrolled agent to represent you in an interview with the IRS. You do not have to attend with your representative unless the IRS formally summons you to appear.
- In most situations, the IRS must suspend an interview if you request to consult with a representative, such as an attorney, CPA or enrolled agent.
- You may have any attorney, CPA, enrolled agent, enrolled actuary, or any other person allowed to represent taxpayers before the

IRS submit a written power of attorney to represent you. The person must not be disbarred or suspended from practice before the IRS.

- If your income is below a certain level, you may ask a Low Income Taxpayer Clinic to represent you in your tax dispute before the IRS or a federal court. The services are free or for a minimal fee. Many LITCs offer services in languages other than English. Although LITCs get partial funding from the IRS, LITCs, their employees and their volunteers are independent of the IRS. To find out more about the TBOR and what it means to you visit the Taxpayer Advocate Service's website.

By making this important publication available in multiple languages, the IRS hopes to increase the number of Americans who know and understand their rights under the tax law. The IRS has more tax information in other languages too. See the "Languages" menu at the top of any IRS.gov page.

The IRS also is committed to protecting taxpayers' civil rights. The IRS will not tolerate discrimination based on age, color, disability, race, reprisal, national origin, English proficiency, religion, sex, sexual orientation or status as a parent. This includes any contact with IRS employees and the staff or volunteers at community sites.

If a taxpayer faces discrimination, they can send a written complaint PDF to the IRS Civil Rights Division.
