PETS, AUTOMOTIVE AND rentals, oh my! The My Shopper has it all!

# Thank You

On behalf of my brother Chad Cook and myself, Lisa Smith, we would like to thank everyone that not only helped in the kitchen to make things run smoothly, but for everyone who donated to the free Christmas dinner at the St. Johnsville Community House, that we will continue to have in honor of our mom, Debra Darrow. A very special thanks to the Valley Transportation in St. Johnsville for delivering all of the to-go meals to anyone who needed them delivered... we greatly appreciated that.

Donations were not asked of, but I'd like to thank the following for their Donations: JoAnn Parker-Darrow, Christina Strain, Bill and Deb Darrow, Kress physical therapy of Little Falls, an anonymous person who we thank greatly, Alicia Cook, Mary Rackmyer, Gault Family Ties from St. Johnsville, Lombardos Pizzeria in St. Johnsville. Bare Arms from Little Falls gave a very generous donation that we greatly appreciated.

Miller-Plonka Funeral Home,  
Noelle R. Miller & Rob A. Gridley.  
I hope I'm not missing anyone and apologize if I am.

# Winter Survival

## How To Dig Out Your Car After A Storm

The arrival of cooler, shorter days is often a precursor to winter storms dominated by snowfall. A snow-covered landscape can make for an appealing image. But heavy snowfall also makes for extra work, especially for drivers who must dig their vehicles out of the snow after each storm. Some people live in suburban areas where they can park their cars in driveways or garages, while others live in cities and have to park on the street, where snow plows can do a wonderful job of burying vehicles underneath mounds of snow. Rescuing a car or truck from a pile of snow can be tricky and time-consuming, but there is a process that can make the job easier.

- Begin by clearing out the tail pipe of the car. This is a vital first step because failure to do so

can back harmful carbon monoxide gas and other fumes into the car. Take the time to clear out the rear of the car, including the taillights, so you will have improved visibility.

- When the exhaust pipe is clear, turn on the car. Some people prefer to put the defroster on right away. Others wait until the vehicle warms up before doing so. Having a warm car will melt some of the accumulated ice and snow and make it easier for you to clear the car.
- The right tools make

faster work of the task at hand. A shovel is a necessity, and a telescoping snow broom/ice scraper can be helpful. This allows you to safely push the snow off the roof of the car. Some regions fine drivers who do not remove snow from the roofs or hoods of their cars, so take the time to clean such snow before driving.

- Work from the top of the vehicle down. Otherwise, you will end up negating all of your work by throwing fresh snow on the areas you

already cleared.

- By now the defrosters should have kicked in sufficiently enough to make it simple to clear snow from the windshield and rear window. Use some deicing windshield fluid to dislodge wiper blades if they have frozen to the windshield. Some drivers leave their wiper blades standing on end and away from the windshield prior to a big storm to prevent them from freezing to the windshield. Consider this trick if you're especially

worried about the blades freezing to the glass.

- Use your shovel to carefully remove as much snow as possible from around the tires. Be careful not to puncture the tire with a metal shovel. Try to create a tire path in the direction you plan to move the vehicle. So if you will be backing out of the driveway, clear the way behind the car. If traction is a problem, use a bit of rock salt or cat litter behind the tires to give them more grip. Slipping a car mat under the tires

also can provide much-needed traction.

- Exercise caution if you are digging out a car on a busy roadway. Make yourself visible to other motorists and use traffic cones, if you have them, to keep drivers away from your vehicle. Do not shovel the snow in the path of oncoming vehicles. Shoveling out after a snowstorm is a task few people enjoy. However, it is a necessity of the season and one that can be done safely and efficiently. FC14A558

**Medicare Update for 2026** - The standard monthly premium for Medicare Part B will be \$202.90 a month for 2026, an increase of \$17.90 from \$185.00 in 2025. The Medicare Part B annual deductible, or the amount beneficiaries must pay out of pocket before coverage begins, will be \$283 in 2026, an increase of \$26 from \$257 in 2025. The Part A deductible will be \$1,736, an increase of \$60 from \$1,676 in 2025. Most beneficiaries do not pay a premium for Part A, and those who do pay varied amounts depending on their work history. For people who pay the full Part A premium, that amount will increase by \$47, to \$565 a month.  
\*\*\*\*\*  
**Reminder The Parkinson Support Group** meets the second Tuesday of every month, at 1PM, the next meeting will be January 13, 2026, at The Gathering Place, 127 Kenyon Rd. Cobleskill. Please call Lenore Tsamis at 518-295-2001 to RSVP or please have any questions.  
\*\*\*\*\*  
**Prescription Payment Plan Updates** - In 2026, the cap on out-of-pocket prescription drug costs is going up to \$2,100, a \$100 increase over the 2025 limit of \$2,000. That means you'll be liable for an additional \$100 in drug costs over the year in 2026. 2025 was the first year that the Medicare Prescription Payment Plan (MPPP) enabled those with Medicare prescription drug coverage to spread the costs of their prescription drugs over the calendar year rather than paying in full at the pharmacy counter each time they fill a prescription. Keeping this arrangement just got easier.  
  
Automatic renewal of plan participation. Beginning in 2026, if you participate in the MPPP, you will be automatically re-enrolled the following year unless you opt out. Additionally, a separate renewal notice must be sent after the end of the annual election period, which should include the upcoming terms and conditions of the payment plan.  
  
If you decide to opt out, CMS will require plan sponsors to process opt-out requests within three calendar days, rather than the initially proposed 24-hour timeframe, to reduce administrative burden.  
  
**We will be offering Grab & Go meals HERE** at Office for the Aging 113 Park Place Suite 3, Schoharie – Tuesday-Thursdays in the Community Room from 11 am – 1 pm. Please call us to reserve a meal! 518-295-2001.
