The Evening Sun's 2024

**PROGRESS CHENANGO**

Making Chenango County a better place to live

We can wait for the future or we try to build one. So, how are our local communities preparing for a successful future? How do they get ready for what might be coming next? Would you like to learn more about the new or key businesses and organizations of Norwich, Sherburne, Greene, Oxford, Bainbridge, New Berlin, Otselic Valley and all the other surrounding towns in Chenango County?

The week of February 5 to 9, 2024, The Evening Sun will publish our decades old annual review of the region in our special Progress series.

This year "Progress: Build the Future," will look at how new talent and resources are being attracted or developed in the area, relating to programs, students, employees, infrastructure and other long-term investments.

Progress is a part of the regular newspaper. Each section of the five-day series will double the number of daily pages and be delivered or sold with The Evening Sun at no extra charge. The sections can be pulled out separately and make good keepsakes.

The Evening Sun will feature Progress on our website: evesun.com, all year. You can view a high quality copy of our 2023 Progress edition there now.

Readers and advertisers are supporters of our small town newspaper. We greatly appreciate your help in keeping the community better informed through locally owned, independent journalism.

# Know Your Limits

Maybe you like the feel of the open road or maybe you're just in a hurry. But the fact remains, that speed limits are carefully set to give you the safest possible driving speed for each road's particular traffic conditions. And because speeding is dangerous, the penalties are stiff.

So whenever time is of the essence, start out early and obey your local speed signs. Then you can enjoy a safe and leisurely ride without having to worry about the fines.

A Virtual Visit With  
**Michael Miller**

Author of *High Bridge* a historical novel set in CNY

Upstate New York in the mid-19th century is a cauldron bubbling with the lure of fast fortunes, religious zealotry, and battles for civil liberties. This fervor centers on the Erie Canal, which successfully supports scores of villages brimming with opportunity. One such village, Fayetteville, shapes the lives of two future American leaders - Matilda Joslyn Gage and Grover Cleveland.

High Bridge tells the stories of Gage as a young newlywed, the only child of freethinking abolitionists, and young Cleveland, a prankster lad who grows up in the large family of an austere reverend. Despite their different childhoods and worldviews, they form an unlikely friendship. Can they combine their skills to solve a mystery and vindicate a Black man accused of murder?

## LOOKING FOR AN AFFORDABLE USED CAR?

SICK OF BUYING rusty junk off of Craigslist and then spending more than you paid for it trying to get it functional or to pass inspection? At Central Auto Sales I take pride in buying quality cars that are still in excellent condition that can supply you with many miles of service in the future. I typically buy my cars from states south of NY to avoid the rust associated with local cars. I have a nice selection of cars in the affordable \$3-5K range, most are low miles or low miles for the age. I'm a lifetime resident of Norwich. Buy from someone local. No pressure, no fancy hype, just quality cars at fair prices! Central Auto Sales LLC, 429 Manley Road, Norwich. [www.centralautosalesllc.com](http://www.centralautosalesllc.com) 607-336-6371.
