### Schoharie County Office of Community Services requests proposals for projects utilizing Opioid Settlement Funds

March 2024 - Schoharie: The Schoharie County Office of Community Services is accepting Requests for Proposals (RFP) for Opioid Settlement Funding. Up to \$204,000 will be awarded to community-based organizations, non-for-profit agencies, and businesses to help address overdoses and substance-use disorders in the community through prevention, treatment and recovery services. Sarah Nies, Director of Community Services, said "she is excited to see what solutions can be found within the community around the opioid crisis in Schoharie County. This is an opportunity for the community to come together and come up with solutions for its residents." Nies added that this crisis impacts all of us. "Recovery is more than abstinence and symptom reduction," she said. "We need to be about people, place, and purpose in recovery."

Justin Hamm, Executive Director at Schoharie County Council on Alcoholism and Substance Abuse (SCCASA), also emphasized his support. "In order for Schoharie County to continue to combat the opioid crisis there needs to be a continued collaborative approach between prevention education, treatment, and recovery services. These dollars will help us fill in the gaps in services along the continuum of care," Hamm said.

The RFP is available for review and applications will be accepted on a rolling basis, with evaluation of proposals to be completed by the committee as applications are submitted. Once selected, the successful applicants will then be presented to the Schoharie County Board of Supervisors for contracts. Applicants will be asked to target at least 1 of the approved uses from the "Schedule C Approved Uses" document that can be found on the county website along with the RFP. Additionally, work for the award must be completed in Schoharie County. ➡

### Schoharie County Office for the Aging 518-295-2001

\*\*\*\*\*  
**Laughter Is Good For The Soul**  
- I tried the Japanese method of decluttering, where you hold every object you own and if it does not bring you joy, you throw it away. So far, I have thrown out all the vegetables, my bra, the electric bill, the scale, a mirror, and my treadmill.  
- I'm at the age where it's considered rude to pull out a bottle of ibuprofen if you don't have enough for everyone.  
\*\*\*\*\*  
**SAVE THE DATE:** April 12 from 9 am – 12 pm Schoharie County OFA/NY Connects will be hosting a half day educational event all about SCAMS and FRAUD. People are getting very sneaky with scams. Come learn how to protect yourself. A detailed workshop list will be coming soon. Call 518-295-2001 and ask for Meg to register for the event. The event will be held at the Gathering Place in Cobleskill.

Reconnect the body, mind and spirit through gentle movements, breathwork and deep relaxation. We'll work on flexibility, balance, and core strength with options to build or modify your practice. All movements will be done seated or standing with a chair for support. All are welcome to enjoy the benefits of yoga – regardless of physical ability or limitations. Instructor: Judi England, RN, licensed massage therapist, and professionally certified Kripalu yoga instructor. Judi has offered programs in wellness, yoga, meditation, and stress management for over 30 years throughout the Capital Region. She is an Independent Health Educator for individuals, businesses, and organizations.

No Cash payments will be accepted. Bring your Driver's license & AARP Card if member. There will be a 30-minute lunch break. Please arrive a few minutes early for the registration process. Registration Required 518-295-2001.  
**Health Tip:** While driving is a major form of independence for us all—from teenagers to older adults—it can certainly become riskier as we and our loved one's age. The physical and mental changes that occur in our later years make it an even more important time to think about safe driving. There are several precautions that can help reduce your risk of an accident:  
• See your eye doctor yearly to check for conditions associated with aging  
• Wear your glasses and ensure the prescription is up-to-date  
• Keep windshields, mirrors, and headlights clean  
• Check what fitness programs are suitable for you with your doctor  
• Limit passenger and background noise inside your car  
• Sit at least 10 inches from the steering wheel and wear your seatbelt  
• Plan your route well and stick to familiar places  
• Drive during the day and avoid rush hours  
• Keep a safe distance between you and the car ahead  
The National Highway Traffic Safety Administration's website provides further recommendations for keeping ourselves and our older family members safe on the road.  
\*\*\*\*\*  
**Thought for the Week** – "The tragedy in life doesn't lie in not reaching your goal. The tragedy lies in having no goal to reach."

IRS Wants You to Know About Schemes, Scams and Cons

"If it sounds too good to be true, it probably is!" Don't become a victim to any scheme that offers instant wealth or exemption from your obligation as a United States citizen to file tax returns and/or pay taxes. Some of these schemes can literally cost you your life savings. Others can result in your prosecution and imprisonment if you knowingly participate in them. Abusive Return Preparer Taxpayers should be very careful when choosing a tax preparer. While most preparers provide excellent service to their clients, a few unscrupulous return preparers file false and fraudulent tax returns and

ultimately defraud their clients. It is important to know that even if someone else prepares your return, you are ultimately responsible for all the information on the tax return.

Abusive Tax Schemes Abusive tax scheme originally took the structure of fraudulent domestic and foreign trust arrangements. However, these schemes have evolved into sophisticated arrangements to give the appearance that taxpayers are not in control of their money. However, the taxpayers receive their funds through debit/credit cards or fictitious loans. These schemes often involve offshore banking and sometimes establish scam corporations or entities.

Nonfiler Enforcement There have always been individuals who, for a variety of reasons, argue taxes are voluntary or illegal. The courts have repeatedly rejected their arguments as frivolous and routinely impose financial penalties for raising such frivolous

arguments. Take the time to learn the truth about frivolous tax arguments. All Program and Emphasis Areas for Criminal Investigation Criminal Investigation has categorized their investigative cases into specific program and emphasis areas of fraud.

Tax Scams — How to Report Them To help the public recognize and avoid abusive tax schemes, the IRS offers an abundance of educational materials. Participating in an illegal scheme to avoid paying taxes can result in imprisonment and fines, as well as the repayment of taxes owed with penalties and interest. Education is the best way to avoid the pitfalls of these “too good to be true” tax scams.
