Submitted by Village of Richfield Springs Historian Harriett Geywits

The following is a message published in the MERCURY in 1886. The message is as true today as it was then:

“We wish to call the attention of the citizens of this town to the fact that Memorial Day is again approaching. As is well known, the day was established to commemorate the sacrifices made by thousands of our young men whose patriotic hearts prompted them to face death in defense of our government when assailed by the hydra-headed monster, Rebellion.

For nearly four years, this nation has struggled in bloody combat to maintain the authority of the Constitution and the Great Republic, and thousands of our brave sons had been slain. Many are still asleep in unknown graves on the field of battle. As an expression of love and deep appreciation, this national day should be fully observed by all classes of American citizens. There is a vital principle involved in the proceedings here.

Let the known and the unknown, irrespective of previous conditions, race or color, be honored alike. The blessings that have come to us as a nation because of the sacrifice of our comrades, living and dead, form an important part of our national history.

Memorial Day is not for the purpose of special honors. The rich, the poor, the black, the white, all who did their country service are all alike entitled to the highest honor.

While time has mitigated the grief of those who mourn for these men who gave their lives that our country might live, the patriotic and sense of gratitude of our people should not lessen. It is time to pay our tribute of respect to the memories of these men. It is our duty to hand down the importance of this day to our children.”

Memorial Day, originally known as Decoration Day, was first observed on May 30, 1868 when General John A. Logan of the Grand Army of the Republic, declared that the day should be set aside to decorate the graves of the Union soldiers who died in the war.

In 1921, the Tomb of the Unknown Soldier was dedicated at Arlington National Cemetery, serving as a symbol of respect and gratitude for all the unnamed

soldiers who gave their lives for our country.

In 1950, Congress passed a resolution asking all Americans to observe a moment of remembrance at 3:00 p.m. on Memorial Day, known as the National Moment of Remembrance Act. This act was to encourage Americans to pause and reflect on the sacrifices of our fallen heroes.

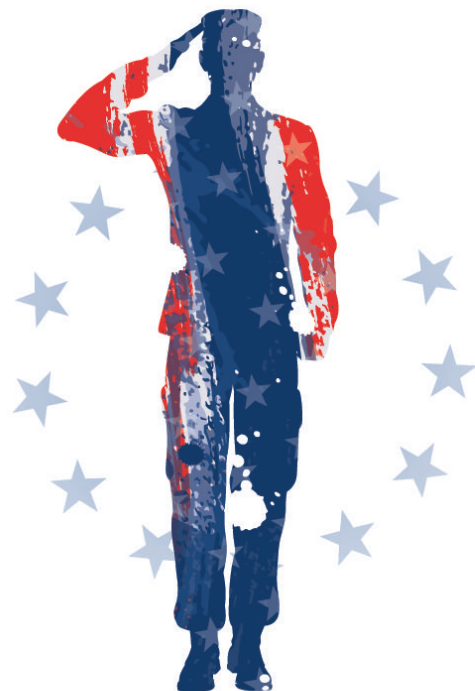

In 1971, Congress declared Memorial Day a national holiday to be observed on the last Monday in May. This change allowed for a three-day weekend and led to more widespread participation in events of the day.

This is a day to pay tribute and reflect on the importance of the freedom and values that our soldiers fought and continue to fight for. It is our legacy and a reminder of the high price of freedom. They had the courage to face the challenges and hardships just as we should have that courage in our everyday lives.

“General George S. Patton is quoted as saying: “ It is foolish and wrong to mourn the men who died. Rather, we should thank God that such men lived.”

Let us be grateful for the brave men and women who gave their lives for our country’s freedom. We have a lot to live up to in their example of sacrifice and service.

HAPPY MEMORIAL DAY

Spring Antiques in Schoharie”
May 31 and June 1, 2025

The Spring Antiques in Schoharie show will be held at the Depot Lane Railroad Museum Complex in Schoharie on Saturday, May 31, from 10am to 5 pm, and Sunday, June 1, from 11am to 4pm. Dealers are in place, tents are ordered, and our delicious homemade food is being prepared. The show is sponsored by the Schoharie Colonial Heritage Association (SCHA). Normally the show is held in the Schoharie Central School gymnasiums, and because of construction, SCHA has moved the Spring show to our own complex on 143 Depot Lane, Schoharie.

Dealers are already signed up for spaces with more coming in every day. It’s a beautiful time of year in Schoharie. Our two museums will have just opened. The Schoharie Valley Railroad Museum will be open free to show goers. If you haven’t visited this museum, save a few minutes. You won’t be disappointed. And if you have additional time, stop at our 1743 Palatine House Museum on Spring Street in the Village of Schoharie. Our two antique shows, (totally run by member/volunteers), support these two Schoharie treasures.

This show will be our 49th spring show. Our dealers come from Vermont, Massachusetts, New York, Pennsylvania and Connecticut and beyond. You’ll find furniture, carpets, quilts, linens and lace, yard art, stoneware, jewelry, toys, tools, glassware and china, just to mention a few. The Mill Building, the Weigh Station and the Creamery will house many dealers, while the big tents on the complex grounds will also be filled.

Mark your calendar now for our Spring Show, May 31 and June 1. Questions??

Know Your Limits

Maybe you like the feel of the open road or maybe you're just in a hurry. But the fact remains, that speed limits are carefully set to give you the safest possible driving speed for each road's particular traffic conditions. And because speeding is dangerous, the penalties are stiff.

So whenever time is of the essence, start out early and obey your local speed signs. Then you can enjoy a safe and leisurely ride without having to worry about the fines.
