**MEDICARE REMINDER: Preventive Services Overview**  
Preventive care is care you receive to prevent illness, detect medical conditions, and keep you healthy. Medicare Part B covers many preventive services, such as screenings, vaccines, and counseling. If you meet the eligibility requirements and guidelines for a preventive service, you must be allowed to receive the service. This is true for Original Medicare and Medicare Advantage Plans. However, your plan's coverage rules may apply.

- Original Medicare: You pay nothing (no deductible or coinsurance) for most preventive services when you see a participating provider.
- Preventive services recommended by the U.S. Preventive Services Task Force are covered at 100% of the Medicare-approved amount (zero cost-sharing), but for other services you may be charged Original Medicare cost-sharing.
- You may be charged if you see a non-participating or opt-out provider.
- Medicare Advantage: When seeing an in-network provider, you pay nothing for preventive services that are covered with zero cost-sharing by Original Medicare. This means that plans are required to cover your care without charging deductibles, copayments, or coinsurance, as long as you meet Medicare's eligibility requirements for the service.
- Medicare Advantage Plans may charge you for preventive services that Original Medicare does not cover with zero cost-sharing.
- You may be charged if you see an out-of-network provider. Under certain circumstances, you may be charged for services you receive related to your preventive service, even if the preventive service itself is covered at 100% of the cost.

Dealers are in place, tents are ordered, and our delicious homemade food is being prepared. The show is sponsored by the Schoharie Colonial Heritage Association (SCHA). Normally the show is held in the Schoharie Central School gymnasiums, and because of construction, SCHA has moved the Spring show to our own complex on 143 Depot Lane, Schoharie.

Dealers are already signed up for spaces with more coming in every day. It’s a beautiful time of year in Schoharie. Our two museums will have just opened. The Schoharie Valley Railroad Museum will be open free to show goers. If you haven’t visited this museum, save a few minutes. You won’t be disappointed. And if you have additional time, stop at our 1743 Palatine House Museum on Spring Street in the Village of Schoharie. Our two antique shows, (totally run by member/volunteers), support these two Schoharie treasures.

This show will be our 49th spring show. Our dealers come from Vermont, Massachusetts, New York, Pennsylvania and Connecticut and beyond. You’ll find furniture, carpets, quilts, linens and lace, yard art, stoneware, jewelry, toys, tools, glassware and china, just to mention a few. The Mill Building, the Weigh Station and the Creamery will house many dealers, while the big tents on the complex grounds will also be filled.
