**Medicare Advantage Plan Not Renewing?**

**If your Medicare Advantage plan is not renewing, you'll receive a notice and must choose a new plan by the end of the year, or you'll be moved to Original Medicare. You can act during the Medicare Open Enrollment period (October 15 to December 7) or a Special Enrollment Period (SEP): This SEP starts on December 8 and runs through the end of February. It's for individuals whose plan is ending, giving you time to find new coverage before your current plan expires on December 31st.**

**Use the official Medicare Plan Finder: at Medicare.gov to find other Medicare Advantage and Part D plans available in your area. Consider options: like switching to a different Medicare Advantage plan or returning to Original Medicare and adding a separate Part D plan for prescription drugs. Act before coverage ends: If you don't choose a new plan by December 31st, you may be left with only Original Medicare for January 1, 2026.**
