**Best of Chenango County WINTER SPORTS 2023-24**

Many of our Chenango County high school sports teams and athletes have once again performed to an exceptional level during the 2023-2024 season.

A season ago The Evening Sun published a four-section special insert that promoted our star athletes and teams who either reached a major milestone, won a championship or broke a school record within that respective sport.

In April, we will once again profile the best athletes and teams our County has to offer with our 2023-2024 Best of Chenango County Winter Sports!

The special section will include large color photos of our star athletes and teams as well as detailed summaries explaining extraordinary achievements along with quotes from our athletes and coaches.

This type of sports coverage can only be found at The Evening Sun and we take great pride in presenting this once-a-year publication that summarizes the best our winter sports has to offer.
