17th Annual Fishing & Heritage Day

The Otselic Valley Fishing & Heritage Association invites you to join its 17th annual Fishing & Heritage Day in South Otselic on Saturday, May 16 from 9 am to 4 pm. This rural hamlet is home to one of NYS' Fish Hatcheries since 1932, and the former world renown Gladding Fishing Line Co., which began in 1816.

There will be two fishing clinics at the Hatchery, where young anglers are invited to fish for brook trout. The clinics are free and fishing poles are provided for those who don't bring their own. Fly tying demonstrations and an aquarium will be inside the hatchery in addition to its fish rearing tanks where trout and salmon fingerlings get their start.

In the adjacent pole barn, 2nd graders and older are invited to participate in workshops conducted by Doris Wilkins-Wilt from the Oneida Nation Cultural Center to make "friendship feathers". Ron Patterson, also from the Oneida Nation, will give a presentation and demonstration of the native American game of Lacrosse. A collection of Haudenosaunee artifacts will also be on display, while outdoors numerous environmental, conservation and public service organizations will have information and displays.

Stop by early at the South Otselic Fire Department's open house to order their takeout BBQ chicken.

In the Town Park there will be arts, craft and antiques vendors, old time carnival games for children, raffles, food and live music, along with exhibits in the Town Hall featuring the 1906 story of resident Grace Brown, and a display of historical photos and items of the Town of Otselic.

Gladding will display one of their vintage rope braiding machines. At the Otselic Valley Central School, an art show will be exhibit work by students and other local artists. There will also be a special traveling Power House displaying and demonstrating green technology.

In the center of town, vintage tractors will again be on display, with some going on parade at 1:30 pm. Be sure to check out this year's pictorial cancellation postmark at the nearby P.O. between 8 and 11:45am.

Please join South Otselic's residents on Saturday, May 16th for this free, family event in hamlet, once touted as "the fishing line capital of the world". For a complete schedule of activities and programs, please visit our website at ovfish.org.

The Heart of Everything We Do

Celebrating National Nurses Week

May 6–12, 2026

This week, the nation pauses to celebrate nurses — and at UHS, we want to begin by saying, **thank you**. Thank you to all of our nurses who provide excellent patient care each and every day. As the healthcare leader in our community, we are only as strong as our teams across the UHS System who answer the call at all hours. Nursing is at the heart of our organization. The trust our patients and families place in us is grounded in team-based, interdisciplinary care, with nursing playing a critical role.

Today, our nursing teams span a wide range of skilled professionals who serve on the front lines and behind the scenes, including licensed nurses, nursing assistants, mental health techs, support staff, and members of interdisciplinary care teams. In every inpatient and outpatient setting, each nurse plays an essential and irreplaceable role.

“At UHS, we strive to provide a patient experience that is second to none, and our nursing teams are at the heart of that experience. Whether you’re a patient at one of our hospitals, primary or specialty care clinics, walk-ins, or receiving care in your own home or long term care, our nursing staff will be there to support you. They provide for not just every medical need, but for every facet of your overall well-being.”

— Peggy Thomas, RN, Vice President for Nursing
and Chief Nursing Officer, UHS

This week, and every week, we are proud to say: our nurses are seen, they are valued, and they are **extraordinary**. Thank you for being the heart of UHS.

YOUR CARE. YOUR WAY.
