ChenTAC

Chenango Threat Advisory Committee

WHO WE ARE

The formation of ChenTAC was established due to the ever-changing risks of targeted violence and mass shootings that society faces today. ChenTAC takes effective proactive and protective measures that are designed to prevent, not predict, potential acts of targeted violence and terrorism. Through identifying and managing potential threats, ChenTAC provides alternatives to investigation and /or prosecution for bystanders who are actively seeking intervention assistance with a known individual at risk of mobilizing to violence.

With the support of the Chenango County Sheriff’s Office, ChenTAC is a multidisciplinary team comprised of businesses, schools and colleges, social service agencies, mental health professionals, faith based organizations, community resources and local and state law enforcement. Collectively, we convene as a confidential group to identify, assess and manage potential threats of targeted violence.

IMPORTANT DEFINITION

Targeted Violence is premeditated violence and is usually directed at a specific individual, group, or location. A perpetrator of targeted violence is typically responding to a perceived grievance or acting on behalf of a particular ideology. **Targeted Violence** is different from impulsive, reactive, or emotional acts of violence. Some examples of targeted violence are school shootings, workplace violence, domestic violence, stalking, and terroristic attacks.

WHEN TO CONTACT ChenTAC

If you become aware of someone exhibiting concerning behaviors, or threatening a person, group or entity, ChenTAC is available to help. Contact our report line at (607) 334-2000 or go to www.chenangocountyny.gov/271/ Sheriffs-Office and find the Submit A Crime tip button. If you have concerns of imminent danger, call 911 immediately.

See Something, Say Something

YOUR ROLE IS IMPORTANT

ChenTAC is relying on you, our biggest asset, to help identify potential threats. Without participation from members of the public, we can not identify ways to assist those who need us or protect our community.

2025 CURB APPEAL PROGRAM INFORMATIONAL MEETING ANNOUNCED

NORWICH, NY – The Norwich Building Tomorrow Foundation is pleased to announce the 2025 Curb Appeal Program. Now in its fifth year, this grant program has assisted 35 property owners within targeted geographical areas within the City of Norwich with various exterior improvements to their homes. Thus far the grant funding, along with investments made by property owners, combines for an impressive total of more than \$680,000 in improvements to these properties.

The original program was created to encourage the revitalization of the Norwich Museum District neighborhood and through the years the program has included specific targeted areas within the City of Norwich. This year the program will primarily focus on North Broad Street from the Mitchell & Cortland Street intersection to Weiler Park on the East side of the street and to Newton Avenue on the West side of the street. Additionally, properties located on South Broad Street from the South Broad Street Park to the Conkey Avenue intersection are also eligible.

The focus of the grant program is to assist property owners with projects that improve the exterior appearance of their dwelling from the street; thus improving the curb appeal of the property. Successful applicants are eligible to receive up to 75% of the total cost of their improvements, with the maximum grant amount being capped at \$15,000. The minimum amount for a project to be considered for funding is \$6,500. The scope of work must include improvements to one or more of the following: Architectural Details (addition, repair and/or restoration); Exterior painting and/or power washing; Doors, windows and shutters; Landscaping and sidewalks; Decorative entrance features and Aesthetic fencing. All grant awards in excess of \$600 are subject to New York State tax.

If you would like to learn more about this exciting grant program and reside within the targeted area of eligibility, you are invited to attend an informational presentation on Tuesday, April 22, starting at 6:30pm at the Northeast Classic Car Museum on Rexford Street in Norwich.

Grant funding is provided by the Norwich Building Tomorrow Foundation in conjunction with other local foundations. The Curb Appeal Program is being coordinated by the Friends of the Museum District Co-Chair, Pegi LoPresti, and decisions on funded projects will be made by members of the Norwich Building Tomorrow Foundation. Additional information regarding the Curb Appeal Program can be found at <https://www.norwichnewyork.net/whats-new.php> or <https://commercechenango.com/chenango-foundation> or call 607.226.0004. ➡

LOOKING FOR AN AFFORDABLE USED CAR?
SICK OF BUYING rusty junk off of an individual or online and then spending more than you paid for it trying to get it functional or to pass inspection? At Central Auto Sales I take pride in buying quality cars that are still in excellent condition that can supply you with many miles of service in the future. I typically buy my cars from states south of NY to avoid the rust associated with local cars. I have a nice selection of cars in the affordable \$4-6K range, most are low miles or low miles for the age. I'm a lifetime resident of Norwich. Buy from someone local. No pressure, no fancy hype, just quality cars at fair prices! Central Auto Sales LLC, 429 Manley Road, Norwich. www.centralautosalesllc.com 607-336-6371.
