- The closest I get to a spa day is when I'm draining pasta and the steam smacks me in the face!
- Just been arrested on a plane after seeing an old friend flying to the same destination. Apparently, security does not like it when you shout across the plane, "Hi Jack!"

***** Medicare Savings Program 2024 *****

The Medicare Savings Program (MSP) could put your Medicare Part B premium back into your social security check each month. You may be eligible thanks to newly expanded income limits. Individual \$2,355 per month; Couple \$3,189 per month.
• MSP helps pay out-of-pocket Medicare costs, such as your Part B premium.
• To be eligible, you must already be a Medicare beneficiary, meet the income requirements, and apply for this assistance.
• Once approved, reimbursement will come through your Social Security check. Free and objective application assistance is available at Office for the Aging.

***** Electronic prescribing *****

Electronic prescribing is a way for prescribers to send your prescriptions directly to your pharmacy. Electronic prescribing can save you money, time, and help keep you safe.
• You don't have to drop off and wait for your pharmacist to fill your prescription.
• Prescribers can check which drugs your insurance covers and prescribe a drug that costs you less.
• Electronic prescriptions are easier for the pharmacist to read than handwritten prescriptions. This means there's less chance you'll get the wrong drug or dose.
• Prescribers will have secure access to your prescription history so they can be alerted to these:
• Possible drug interactions
• Allergies
• Other warnings

Thought For The Week - You are always responsible for how you act, no matter how you feel. Remember that.
